

IPL Fantasy - Official Rulebook

1. Introduction

The IP Fantasy Auction is a strategic game where participants create their own cricket teams from scratch by selecting players from the current IPL season. The objective is to build a well-balanced squad and evaluate its performance based on real IPL results at the end of the tournament.

2. Team Composition

- Each team consists of 16 players
- After the IPL concludes, participants will select their best 11 from their squad to determine their final playing 11

3. Playing 11 Rules

- 4 Batsmen (minimum)
- 4 Bowlers (minimum)
- 1 Wicket-Keepers (minimum)
- 1 All-Rounder (minimum)
- 1 Uncapped Player (minimum)
- 5 Foreign Players (maximum)

4. Points System

Batting Points -

- If a players Strike Rate > 160 then a multiplier of 1.25x is applied
- If SR < 130 , a negative multiplier of 0.75x is applied
- Min 20 balls faced for multipliers to take place

Bowling Points -

- Bowling points are wickets a player takes
- If Economy < 8 , a bonus multiplier of 1.25x is applied
- If Economy > 9.5 , a negative multiplier of 0.75x is applied
- Min 4 overs bowled for multipliers

Bonus Points -

- Orange Cap - 1.5x
- Purple Cap - 1.5x
- MVP - 1.5x (both batting and bowling stats)

5. Deciding Winners

- Winner is decided by seeing the difference between percentage of runs and wickets
